Personal Projects

Schools Application management (<https://github.com/ukanirudh/schrolegrp>)

Web application to manage application for international schools. Had a Applicant/Lecturer login respectively. Where applicants can choose from the options to apply for a particular international school. Where as for a Lecturer, he/she had to first apply and then wait until their background verification has been completed

Vendor App (<https://github.com/ukanirudh/vendorApp>)

Clients can place a tender/requirement for a particular set of commodities and the vendor places a bid and the best bidder cuts the deal. Built on React, SemanticUI and Nodejs

WindTrailsIndia (<http://windtrails.in/>)

One stop website for Wild tours, treks and birding trails. Built on React and SemanticUI

EcoVolunteers

We are a group of NGO working towards conservation of wildlife

Hobbies and Extracurricular activities

- Trekker and a Traveler by passion, maintaining a [blog](https://trippinzindagi.wordpress.com/)(<https://trippinzindagi.wordpress.com/>), where we share our experiences. Also have been a Lead and coordinator for few treks
- Wildlife and Nature lover, member of 'Eco Volunteers India' group
- Have given multiple sessions on the topic, Anti-poaching, at the wildlife workshop
- Awareness programmes on birding and conservation
- Birding, observing and understanding their behaviour and Photography
- Playing Badminton and occasional football
- Reading articles on Quora and Medium

Academic Credentials

Qualification	Institution	University/Board	Score	Year
B.E	PESIT BSC	VTU	74.72%	2015
PUC	Sri Chaitanya Junior college	Andra Board(IPE)	88%	2011
SSLC	Kendriya Vidhyalaya	CBSE	81.5%	2009

Personal Dossier

Date of Birth 21st Feb 1993
Language Known English, Kannada, Hindi, Telugu and Tulu
Marital Status Single

(UK Anirudh)
